Notice of Formal Public Hearing

Enclosed find Amended Complaint No. 2001-188 for Administrative Civil Liability against William P. Johnson and Vail Lake, LLC for failure to submit a Notice of Intent and failure to submit a technical report. At your request, a formal public hearing before the California Regional Water Quality Control Board, San Diego Region (Regional Board), has been scheduled for 14 September 2001. The meeting will begin at 9 a.m. at the Rancho California Water District, District Board Room, located at 42135 Winchester Road, Temecula, California. During the hearing you will have the opportunity to address the Regional Board and contest the allegations and imposition of civil liability. I have also attached the Regional Board's hearing procedures.

You may choose to waive your right to a hearing, if you accept liability in the amount recommended. Be aware that if you waive your right to a public hearing before the Regional Board, you must sign and return the enclosed waiver form with a cashier's check for the amount of civil liability proposed in the complaint. The cashier's check must be made payable to the State Water Resources Control Board and mailed to the Regional Board, 9771 Clairemont Mesa Boulevard, Suite A, San Diego, California 92124. Waiver of the hearing constitutes admission of the violations alleged in the complaint and acceptance of the assessment of civil liability in the amount proposed in the complaint.

If the hearing is held, testimony from you and comments from interested parties may be considered by the Regional Board in determining the amount of civil liability to assess. Following the hearing, the Regional Board may impose the proposed civil liability, impose an amount other than that proposed, revoke the complaint and refer the matter to the Attorney General for judicial assessment of civil liability (with higher maximum liabilities for each violation), or dismiss the complaint without imposing liability.

REGIONAL BOARD HEARING PROCEDURES

Hearings before the San Diego Regional Board are not conducted pursuant to Chapter 5 of the California Administrative Procedure Act, commencing with Section 11500 of the Government Code. Regulations governing the procedures of the regional boards are codified in Chapter 1.5, commencing with Section 647, of the State Water Resources Control Board regulations in Division 3 of Title 23 of the California Code of Regulations.

Testimony and comments presented at hearings need not conform to the technical rules of evidence provided that the testimony and comments are reasonably relevant to the issues before the Board. Testimony or comments that are not reasonably relevant, or that are repetitious, will be excluded. Cross-examination may be allowed by the Chairman as necessary for the Board to evaluate the credibility of factual evidence or the opinions of experts. Video-taped testimony by witnesses who are not present at the hearing will not be accepted unless such testimony was subject to cross-examination by all designated parties¹.

Pursuant to Government Code § 11445.20, the Board will use an informal hearing procedure, which does not include the right of cross-examination. Failure to make a timely objection to the use of an informal procedure, in accord with the directions below, will constitute consent to the informal hearing (See Title 23, California Code of Regulations, Section 648.7). Even with a timely objection, an informal procedure may be used under the circumstances identified in Government Code § 11445.20 (a) (b) or (d).

For formal hearings, designated parties must submit witness testimony prior to the hearing date. During the formal hearing, witnesses will be allowed a limited time to orally summarize the pertinent points of their testimony. Designated parties requesting a formal hearing must submit twenty (20) copies of the following information to the Regional Board. This information must be received in the Regional Board's Office no later than 5 p.m. on Wednesday 29 August 2001:

- Witness testimony;
- The name of each proposed witness and the order in which witnesses will be called;
- A description/summary of what each witness' testimony is intended to prove; and,
- Identification of material factual issues in the dispute.

When a hearing is conducted using formal procedures, participants will be determined to be either "designated parties" or other "interested persons." Only designated parties will have the right to cross-examine witnesses. Interested persons do not have a right to cross-examination, but may ask the Regional Board to clarify testimony.

Designated parties automatically include the Regional Board and any person to whom an order is addressed (i.e., the Discharger(s)). All other persons wishing to testify or provide comments at a formal hearing are interested persons. An interested person may request status as a designated

party for purposes of the formal hearing. A request must be received in the Regional Board's Office no later than 5 p.m. on Wednesday 29 August 2001. The request must explain the basis for status as a designated party and, in particular, how the person is directly affected by the possible actions of the Regional Board.

For any hearing (formal or informal) the Chair will allocate time for each party to present testimony and comments and to question other parties if appropriate. Interested parties will generally be given three (3) minutes for their comments. Where speakers can be grouped by affiliation or interest, such groups will be asked to select a spokesperson. The Chair may allocate additional time for rebuttal or for a closing statement. Time may be limited due to the number of persons wishing to speak on an item, or the number of items on the Board's agenda, or for other reasons.

All persons testifying must state their name, address, affiliation, and whether they have taken the oath before testifying. The order of testimony for hearings generally will be as follows, unless modified by the Regional Board Chair:

- Testimony* of Regional Board staff
- Testimony* of discharger
- Testimony* of other designated parties
- Testimony* of interested persons
- Closing statement by designated parties other than discharger
- Closing statement by discharger
- Closing statement by staff
- Recommendation by Executive Officer (as appropriate)
- Close public hearing
- Deliberation and voting by Regional Board

*includes cross examination if formal hearing

Closing statements shall be for the purpose of summarization and rebuttal, and are not to be used to introduce new evidence or testimony, or to restate direct testimony. After considering evidence, testimony, and comments, the Regional Board may choose to adopt an order regarding a proposed agenda item. All Regional Board files, exhibits, and agenda material pertaining to items on the agenda are made a part of the record. Persons wishing to introduce item exhibits (i.e., maps, charts, photographs) must leave them with the Regional Board's Executive Assistant and must provide sufficient copies for distribution to the Regional Board, designated parties, and interested persons. Photographs or slides of large exhibits are acceptable.
